Vice Commodore

3.5 All Members are responsible for the security of the Club premises and shall ensure that gates are secured at all times. Members are encouraged to be alert to and report any security breaches or suspicious activity within the Club and on Club docks. Members shall not give the combination to any lock, or loan an access key to any person who is not member without the written permission of the Board. Members are responsible for the passage of their guest through the security gates. (LSYC Bylaws)
